Children,
Youth, and
Teachers!

Million Penny Drive

We emptied the water bottles for the first time this month! Some were completely full some only partially full. We collected \$736.58! Thank you to all who have faithfully donated pennies (as well as the folding money!) The containers are back in place and ready for more pennies!

Youth Mission Week will be the week of August 2nd - 6th. Last year during Mission Week the youth cleaned up a public lake, a public park, completed yard work for two elderly families, painted the exterior of a house for a VISTE client, visited Talbot house and served lunch and delivered muffins to our immediate neighbors here at the church, (Lakeland Electric, City Hall, and Fed Ex). The youth worked during the day and slept at the church at night.

We need parents who are willing to drive each day. The cost for the week is \$55. This will cover the cost of breakfast, lunch and snacks as well as the cost of various work supplies. We also need overnight chaperones. Overnight chaperones will need to meet certain criteria prior to the week of work. If you are willing to chaperone, please contact Michelle immediately.

Beach Day

Any youth group members (6th through 12th grade) are invited to go to the beach at Anna Maria Island on Tuesday, July 6th. We will meet at the church at 8 am. You must let Michelle know ahead of time if you are going so that we have enough seats in vehicles. Bring your own sunscreen, towel, water bottle and lunch or money for lunch.
